Luxury by the Sea

Spread across 520 secluded acres and featuring over one mile of waterfront coastline, El Dorado offers an exclusive collection of carefully selected custom homesites and luxury estate homes with breathtaking ocean or golf views. At the core of the community is a private Jack Nicklaus-designed championship golf course widely considered one of the most beautiful and dramatic in all of Baja California. Like other Discovery Land Company communities, El Dorado offers a host of truly exceptional recreational amenities. The members-only beach club, resort-style swimming pool, state-of-the-art fitness center, private day-spa, members shopping boutique and mercado, championship tennis courts, and numerous indoor and outdoor dining facilities complete this vibrant community. Additionally, members and their families can turn to El Dorado's Outdoor Pursuits staff to experience all of the adventure Baja has to offer — from deep sea fishing and snorkeling to off-road excursions and hiking — in a fun, safe environment. Between dramatic desert mountains and the sparkling sea coast of Los Cabos, El Dorado offers a beachside paradise where you and your family will create memories that will span generations.
